Resisting Occupation and Fundamentalism

Monday, October 19th, 7 PM

At the Portsmouth Public Library, 175 Parrott Avenue

As President Obama backs a corrupt government and escalates the US/NATO war in Afghanistan, with record numbers of Afghan civilians and US soldiers dying, it's more important than ever for Americans to hear from those most affected.

Join **Zoya**, a member of the Revolutionary Association of the Women of Afghanistan (RAWA) and subject of Zoya's Story, for a discussion of the US war in Afghanistan and what you can do.

For more than thirty years, RAWA has worked for a nation free of war and fundamentalism that respects women's and human rights.

Free and open to the public.

For security reasons NO still or video photography allowed.
