Monday, October 25, 7:00pm

at The Community Church of Durham, UCC, 17 Main St,
Durham NH

"Rethink Afghanistan" is a ground-breaking documentary by filmmaker Robert Greenwald. Greenwald and his crew made several visits to Afghanistan and interviewed Afghan civilians as well as US and Afghan political leaders and foreign policy experts.

"Rethink Afghanistan" raises critical questions about the consequences of U.S. policy and troop escalations that all Americans need to consider.

Discussion facilitated by Will Hopkins, Executive Director of NH Peace Action and member of Iraq Veterans Against the War and Amy Antonucci of Seacoast Peace Response.

Free and open to the public.
